“Helping Your Child Succeed in School”
Building credibility with parents and visibility in your community

The purpose for offering this seminar is three-fold:

- helping your parents help you educate their child (which makes your job easier),
- providing a useful service to your community, and
- giving you a good excuse to get your name out to the community.

Set a date for shortly after your school's and local public schools' grades for the first grading period are sent home.

This is a time that parents are thinking about their child's schooling, but is early enough in the year for them to implement what they learn from you.

Plan to make the presentation on your campus and with your team.

Hosting the seminar at your school (and please make sure your bathrooms are sparkling clean).

will help parents in your community see you as a knowledgeable resource on education (and is A+ work). If you simply can not make a
