Workers' Compensation For ALL NCC Employees

Workers' Compensation

Workers' Compensation is an insurance program for employees who are injured or become

What you should know:

If treated for a work related illness/injury—
Do not use your personal health insurance card when being treated.

Report your work injury or illness to your supervisor immediately. HR may be who you report to.

DWC1 Form (Sample)

The employer's role:

(this could be you)

2. Once the DWC1 is received back, complete and sign the Employer's Section of the form.

3. Report the claim to Sedgwick CMS by calling 1 855 572 5966

Keep in Mind

If you will miss work due to a work injury, inform your supervisor and provide a copy of the physician's instruction.

You will be permitted back to work once a doctor's note is provided releasing you to duty whether it be full or modified work.
